

## ***Faculty Partnership Program***

न चोर हार्यं न च राज हार्यं न भात्रू भाज्यं न च भारकारि  
व्ययं कृते वर्धत एव नित्यं विद्याधनं सर्वधनप्रधानम

Na chora haaryam, na cha raja haaryam, na bhaatr bhaajyam, na bharaakaari  
Vyayam krute vardhat evam nityam vidhyadhanam sarvadhana pradhanam

Cannot be snatched away by theif, cannot be snatched away by king, Cannot be divided  
among brothers, Not heavy either.

**If spent daily, it always keeps growing. The wealth of knowledge is the precious  
of wealth of all.**

### **Who should use this program?**

"Faculty Partnership Program" (FPP) connects PCMB faculty from all over India teaching in PUC (Science), CBSE / ICSE institutions (Class XI, XII – science stream).

### **Why should we use this program?**

eTestZone is the Science Teachers' Network to collaborate, cooperate, share knowledge, connect with students, and society. We started this program after receiving inputs from faculty members of many institutions. Some of the issues teachers highlighted, were – challenges of repeating the same matter every year (monotonous nature of work), pressures ensuring higher success rates, paucity of time for furthering their knowledge in these fields, etc.

The FPP is absolutely FREE to teachers of recognized / accredited colleges, schools. There is no cumbersome paper work to sign up. All it takes is just one email from institution principal or HoD of the PCMB depts.

### **How does FPP program benefit teachers and our institution?**

As members of this FPP, teachers get access to our large database of content, and discussion forums for FREE. You can use some of our questions in class room sessions. Students get pointers for studying for CET, NEET, JEE in your regular class sessions itself. You can challenge them, give hints where required, post explanations / notes, answer their doubts on discussion forum – help develop their problem solving skills. Your online inputs will available to your students forever, and your new batch students in coming years will have access to this information. You will easily start saving 15-20% time on such efforts.

And, students will have any time access to inputs from more number of contributing teachers, and (past) students, thus they can have more clarity on concepts. *Your students gain a lot from such knowledge sharing.*

You get to **showcase your institution as a socially responsive institution, committed to quality education through collaboration.** When teachers publish their research interests, write-ups on subject matter of interest to students, or contribute question-answers, the society at large gets to know you, and the institution. Lot of parents visit our site, interact with us, they get to know you via

*your details on FPP pages. Faculty members' names, photos, and institution name, a short description (if you share), will be published here.*

## **How to register for eTestZone FPP?**

Very easy! You have to just send one email with these details: Institution name, profile (optional), address, principal name, phone number, PCMB faculty details (department wise) - Name, email id, phone number, PP photo (optional). Please feel free to call us to know more details.

[List of Faculty Partnership Colleges](#) More than 150 PCMB teachers of various institutions have already joined FPP in the last one year.

*We request you to share this document with schools, colleges, teachers, or parents, via your Whatsapp, Facebook, Twitter, LinkedIn pages to benefit more institutions, and students from FPP.*

## [eTestZone Scholarship To Class 10 Toppers from Every School in India.](#)

This is eTestZone's path breaking initiative to recognize the meritorious, and encourage students to grow up as problem solvers, and solution thinkers, for tomorrow's challenges. Children need to learn self-study, problem solving skills early in life. Schools play an important role, and we want to help your students as they get ready to fly!

We want to encourage the meritorious students of your school to prepare for IIT JEE(Main), NEET, CET entrance exams. Once you sign up with us, every year, we will provide 5 of your school toppers of Class 10, eTestZone License Scholarship for preparing for IIT JEE(Main), NEET, CET for two years (worth Rs 6000/- per student). Further, 5 meritorious students from economically weaker sections are eligible for eTestZone Scholarship. Thus, **10 students from your school are eligible to receive eTestZone Scholarship**. *This is the largest scholarship program available to students all over India, irrespective of school size. Eligible High Schools are: Govt or Private, recognized under State board, CBSE, ICSE boards, teaching in English / vernacular mediums.*

## [eTestZone Scholarship is worth Rs. 60000/- every year, to every school in India.](#)

To provide this scholarship, the school principal has to write to us to register the school. We will send you eTestZone information every year, to share with students of Class IX and X, motivating them to excel further. On announcement of results, every year, the school selects and sends us the list of 10 students who choose science stream - name, email id, phone number, score, and school ranks – for activating their Free Scholarship License Accounts.

For students from economically weaker sections, the school principal & faculty team selects them based on most deserved (economic) criteria, selecting those who have done well in the academics so far. This Scholarship is purely based on merit & economic criteria. Students can be from any caste, religion, or region. We request you to join hands with us, and make the full use of this initiative.

Please share this with schools you know, request them to register here:
